

KidSport™ Greater Victoria 2018 Grant Application Guidelines

KidSport™ is a community based sport-funding program established in 1993 by Sport BC. KidSport™ provides grants for children ages 5 – 18 to participate in a sport season of their choice. There are many community chapters in BC and over 180 chapters across Canada. KidSport™ works to fulfill its mission of eliminating the financial barriers to sport participation, 'So ALL Kids Can Play!' For more information, please visit www.KidSport.ca/BC & www.KidSport.ca/GreaterVictoria.

Consideration

KidSport™ considers the social and economic barriers facing the athlete's family when determining eligibility for funding. To help manage the increased demand and to ensure fair distribution of funding, the following screening criteria will be applied:

- · As resources allow, first time applicants will receive priority for grant funding
- · Returning applicants will be considered on a monthly basis, as funding permits
- · Unsuccessful applicants will be notified as quickly as possible
- · Canada Revenue Agency low income guidelines are used in determining eligibility

Athlete Recipient - Section 1

- Children ages 5 18 years are eligible to apply for a grant
- Grants of a maximum of \$400 are to be used for payment of participation/registration fees only for a season of sport
- · Camps, equipment, lessons, travel to games or playoffs, fundraising, championships, etc. are not eligible expenses
- Maximum funding in one year is \$400 and it can be applied to one or more sports
- · Applications must be received prior to, or at the beginning of the requested season of sport
- · Incomplete applications will be returned

Sport Organization or School Name - Section 2 - Fill in only one - Sport or a school

- Local club must be a current member of a provincial or national sport governing body through Sport BC (www.sportbc.com)
- Sport activities must demonstrate a sustained sport experience (a minimum two month season of sport led by a qualified coach)
- · Only seasons of sport through community sport clubs or approved school programs are eligible for funding

Parent/Guardian Financial Income - Section 3

- A parent or guardian must initiate the application on behalf of the athlete applicant
- The parent or quardian fills out sections 1 to 4 and passes the application to a Reference
- It is the responsibility of the parent or guardian to ensure the application is complete and submitted to KidSport™ Victoria
- · The income guidelines are used for funding eligibility decisions. Circle the 2 sets of numbers that apply to you
- Combined family income includes income from all supporting family members
- · A copy of your previous year's net income (Income Tax Return) may be requested for verification of financial status

Income Verification Endorser - Section 4 (Please read carefully)

The Endorser is the most important step in the KidSport™ application process. The Endorser acts as an objective third party who is familiar with the athlete's family and is in a professional position to attest to the social and economic barriers facing the family.

- A Endorser can be a professional in social work or family services, a school principal or counsellor, a senior recreation administrator, lawyer, accountant, law enforcement officer, or a registered physician etc.
- Endorsers, other than those listed, may be considered if a written letter from the potential Endorser is submitted outlining the financial need of the family and is included with the application
- Family members, coaches, registrars or directors of clubs/leagues are <u>NOT</u> accepted as Endorsers for their own club.
- If no Endorser is available, a copy of income tax return showing net income for previous year can be submitted with written application

Grant Distribution

- Once the completed application is received and approved by KidSport™ Victoria, a cheque will be sent directly to the sport organization
- Please keep a photocopy of the application for your records
- Please allow a minimum of 60 days for review of application; processing time will vary depending on the availability of funds

Application Approval

Notification of the status of the application will be sent to the adult sponsor as soon as possible. If the application is approved, a copy of the letter of notification may also be sent to the sport / recreation organization specified on the application and other sport organizations as required. The parent, guardian, or sport / recreation organization must notify the KidSport™ chapter in their area or KidSport™ BC if the athlete withdraws from the sport activity. The grant must be used by the athlete for whom the grant was approved; no portion of the grant can be transferred to someone else.
